

Announcement: Seulatek Oy and Oy Ferlatek Ab to merge

Seulatek Oy and Oy Ferlatek Ab joined forces about six years ago to streamline operations. Since then, we have operated as two separate limited liability companies under our own names.

On January 1, 2026, we will officially merge into one limited liability company through a subsidiary merger, where Seulatek Oy will merge into Oy Ferlatek Ab. After the merger, the company name will be **Seulatek Oy**, while Oy Ferlatek Ab **Business ID** will remain, **0704726-6** (VAT FI07047266).

Our operations will continue in full at two locations – in Lempäälä and Tammisaari – just as before.

Please note, however, that some **email addresses** will be updated in connection with the merger.
